Ski in Lillehammer Norway with Norwegian Wood Travel

[The Skiing Department](#) are pleased to be offering **special discounted rates** for its readers to the world famous ski destination of **Lillehammer, Norway**.

Lillehammer was the venue for the 1994 winter Olympic Games and boasts an array of ski areas including [Hafjell](#) and [Kvitfjell](#). With a wide variety of slopes to suit all levels of skiers and snowboarders, from complete beginners to experts, the skiing in Lillehammer certainly offers a world class experience.

Transfer times to Lillehammer are fast and easy from Oslo's main airport, Gardermoen. Accommodation is of a very high standard and excellent value for money and is situated right by the slopes in Hafjell. For those who like a bit of après ski, then look no further than Woodies, right at the bottom of the slopes. Lillehammer itself offers a number of eating out opportunities and for non-skiers, there are more options here than most other ski resorts in Europe.

Norwegian Wood Travel has been operating in Lillehammer for over 12 years and they have a fantastic reputation in the region for providing a top class holiday experience. There is a full team of staff from both the UK and Norway that all speak fluent English, as do all the fully qualified ski instructors. Everything can be organised for you including **flights, accommodation, meals, lift passes, ski hire, ski instruction and après ski activities**.

At **The Skiing Department**, we know the Lillehammer area well and we would be happy to provide any advice on the area when you contact us on > info@themountaindepartment.com or telephone > **+44 (0)7543 799338**
